Critical Home Repair Application

Thank you for your interest in Sea Island Habitat for Humanity's Critical Home Repair Program. We understand how important your home is not just as a place to live, but as a place of safety, memories, and stability.

Our program provides **essential repairs at no cost to eligible homeowners to address urgent health and safety concerns**. This may include roof repairs, accessibility improvements such as ramps or handrails, exterior door and window replacement, and other critical fixes that help keep your home safe and secure.
** Please note: the only repair service we provide for mobile homes is for accessibility, such as ramps, steps, and handrails**

By completing this application, you are taking the first step toward making your home safer and more comfortable. Our team will carefully review your information and guide you through the next steps in the process.

Sea Island Habitat for Humanity is only able to service homes in our service area.
